HISPANIC MENTAL HEALTH

CONFERENCE 2024

Sponsored by:  DALLAS COLLEGE
MOUNTAIN VIEW

Sept. 13 - 14, 2024 - Dallas College - Mountain View Campus

We at the Cannenta Foundation are excited to present to you our annual Hispanic Mental Health Conference.

The Hispanic Mental Health Conference will provide opportunities for mental health professionals from across the state to learn how to serve the growing Hispanic community.

Sessions will be held in English and Spanish on best practices for mental health professionals and will also provide a track of sessions for the general public to learn more about mental health treatment, understand stigmas, and meet local mental health providers through informative workshops in English and Spanish.

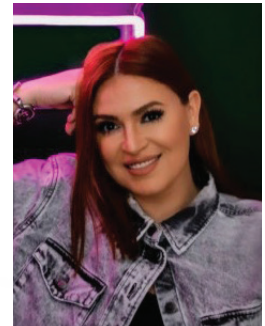

Our keynote speaker is Julissa Arce Raya. Julissa is a Mexican-American writer, speaker, businesswoman, and advocate for immigration rights. She is the co-founder of Ascend Educational Fund and the author of "My American Dream", "Someone Like Me", and "You Sound Like a White Girl". Arce was named as one of *People en Español's* 25 Most Powerful Women of 2017 and 2018 Woman of the Year by the City of Los Angeles. She was awarded the Los Angeles Times Latinos de Hoy Emerging Leader Award, the NAHREP's Vanguard Award, and the Hispanic Heritage Foundation Inspira Award.

Participants will have the opportunity to engage in a friendly chat with Julissa during the conference along with a book signing opportunity during lunch.

Joining Julissa is our special Guest Speaker, Linda Garcia. Linda is the founder and CEO of "In Luz We Trust", an initiative to help communities of color and children of immigrants understand their relationship to money and leverage their resources to invest. Today, Linda is a published children's book author, a self-made business owner, and a guiding Luz for thousands of BIPOC who are looking to break free from limiting and toxic money mentalities. Linda's book, "Wealth Warrior", is now in stores.
