SUMMIT - DALLAS

March 4, 2023 - Dallas College - Mountain View Campus

CoLab

We at the Cannenta Foundation are excited to present to you The Latinx/e in Social Work Summit.

The summit is based on the the book, *Latinx/e in Social Work Volume II*, by Erica Sandoval.

Contributing authors from New York, the tri-state area, and Cannenta Foundation's own Dr. Leti will share their personal narratives through excerpt readings and group discussions about how their stories have impacted their work. Participants will be given opportunities to dialog with the authors and are invited to a meet-and-greet book signing event at the end of the summit.

This summit is a pivotal start to the more extensive conversation about how we show up and serve the Hispanic community and their mental health in a culturally sensitive way. We invite you to be a part of this powerful celebration and support us in making this summit a success!

For more information about the summit or Cannenta Foundation please visit CannentaFoundation.org.

100% of the proceeds of The Latinx/e in Social Work summit will be contributed to the Cannenta Foundation Fund which goes to support those in our hispanic community in need of mental health assistance.
